Melton Truck Lines is one of the nation’s leading flatbed trucking companies with a large and growing fleet of modern, safe, and well-maintained equipment. We have been in business since 1954 and provide shippers with consistent, on-time transportation service. Offering full North American coverage, Melton currently services over 5,000 satisfied shippers with a 98% on-time pick-up and delivery record. We provide customers with customized solutions to meet individual needs.

Melton minimizes cost while maximizing efficiency through:

- Coverage throughout the US, Mexico, and Canada
- Trailer pools and dedicated trucks available
- Covered cargo protection facilities in Tulsa and Laredo
- State-of-the-art technology
- Project coordination and specialized solutions
- 5 terminals in the US and offices in Monterrey, NL Mexico

During our 60+ years in business, Melton has responded to the changing needs of our customers, whether it is just-in-time delivery, satellite communications, or Internet load tracking. We monitor each shipment, to ensure your load arrives on time. Melton is recognized as one of the most dependable international carriers covering the United States, Mexico and Canada. In 1980, Melton pioneered through-trailer service to Mexico and continues to be a leader in the industry. We have developed exceptional international border crossing expertise, giving our customers the advantage of efficient handling of their cargo in and out of Mexico and/or Canada.
Melton’s fleet of trailers is designed to fit your flatbed and stepdeck shipping needs.

- 2,247 flatbed trailers manufactured by Utility and Great Dane
- 53' by 102" aluminum composite trailers
- “California legal” trailers
- 48,000 lb. payload capacity
- Air-ride, spread axle suspension
- Nailing strips

Melton’s 53’ lightweight, all aluminum stepdeck trailers.

- Legal in all 48 states, Canada and Mexico
- 52’6” total length
- 11’ upper deck can legally load up to 8’6” high material
- 41’6” lower deck can legally load up to 10’ high material
- 46,000 lb. payload capacity
Melton Truck Lines is known throughout the industry for our signature blue trucks. Our company-owned fleet of impeccably maintained late model, air-ride equipment reflects the pride we take in serving our customers. We have one of the most modern and impressive fleets on the road today.

- Over 1,300 company trucks
- Average age of truck = 1.9 years
- Kenworth T660, T680 and Freightliner Cascadia

Each truck has standard securement equipment including:

With the longest history of international through-trailer service among all United States flatbed carriers, border crossings are routine business at Melton Truck Lines. Melton is US Customs bonded and crosses over 1,500 loads a month into and out of Mexico. Throughout our 35+ years of service to and from Mexico, Melton has demonstrated superior cross-border operations expertise and the ability to deliver products on time and damage free. This has contributed significantly to the exporting and importing success of our customers.

### Highlights of our international service include:

- Through-trailer service to and from Mexico minimizes cargo damages
- Over 400 trailers dedicated to Mexico, which means equipment is available when and where you need to avoid loading delays
- Offices in Monterrey, Mexico; Laredo, TX; and El Paso, TX for local support.
- Crossing points in Laredo, TX; Eagle Pass, TX; Nogales, AZ; Calexico, CA; and Tijuana, BJ
- Bilingual sales, customer service, and equipment control specialists ensure effective communication with customers, forwarders, and Mexican carriers.
- Melton is C-TPAT certified and works only with C-TPAT certified Mexican carriers ensuring a more secure and expedited supply chain for suppliers and customers

Melton’s offices are staffed by personnel who monitor all shipments in Mexico and ensure each load arrives at the final delivery point intact and on time. Customers are able to depend on the experience we have built working with the most respected Mexican carriers, customs brokers and freight forwarders. Melton’s cargo protection facility (CPF) at our Laredo terminal serves as a protected holding area for cargo in transit.

Melton has been awarded the prestigious President’s “E” and “E” Star Awards for excellence in exporting. The President’s “E” Awards are our nation’s highest honor for achievement in exporting. Melton was recognized for facilitating export expansion through transportation.
Melton Truck Lines is one of the largest and most experienced international flatbed carriers in North America. We are U.S. Customs bonded and handle thousands of international shipments each year. Melton participates in ACE & CTPAT, both of which facilitate trade and strengthen border security. We are well-versed in border crossings as well as the paperwork and processes involved in getting your freight across the border. Our goal is to make shipments into and out of Canada as effortless as a domestic load.

Highlights of our international service include:

- Over 300 Canada qualified drivers
- Through-trailer service to and from Canada minimizes cargo damages
- Crossing points in Port Huron, MI; Detroit, MI; Buffalo, NY; Champlain, NY; and Blaine, WA.

Our trucks and drivers cross the Canadian border and deliver your load to its final destination. All of our trucks are equipped with Omnitracs and we offer online load tracking 24 hours a day, so you can always know the status of your shipments. We look forward to becoming your first choice for all of your for international shipments.

Melton has been awarded the prestigious President’s “E” and “E” Star Awards for excellence in exporting. The President’s “E” Awards are our nation's highest honor for achievement in exporting. Melton was recognized for facilitating export expansion through transportation.
Safety & Technology

Safety is a top priority at Melton Truck Lines. Melton’s DOT safety rating and CSA scores consistently exceed national averages, which means you can count on having safe, professional drivers handle your loads. Every Melton driver participates in hours of safety training, and each driver has 24-hour access to our safety professionals to assist them with any questions or concerns they have while on the road.

Melton has comprehensive initiatives to ensure that our drivers are among the safest on the road. We continue to invest in technology to improve truck and driver safety. Some of the safety technology that all of our trucks are equipped with include:

- Electronic logs
- DriveCam forward and rear facing cameras
- Iteris Lane Departure Warning
- Forward collision warning system
- Electronic stability control
- Navigo Truck Routing GPS

Ranked #1 in Information Technology in the Logistics Management Quest for Quality Awards, Melton uses industry leading technology in all areas of the company.

Some of our technology highlights are:

- Melton Truck Lines provides third party TMS interface and EDI service, which means more convenient, quicker transfer of information for load tendering, tracking, and billing.
- Melton's load tracking allows customers to view BOLs, PODs and invoices online, for immediate access to needed information.
- Melton's load tracking can automatically email customers their load status updates whenever they want, avoiding time spent calling or checking online for a load status.
- Melton’s entire fleet is equipped with Qualcomm satellite tracking, which provides customers with real time visibility of their loads.
- Melton's website has current information on truck transportation trends, legislation, and key issues making it easy for customers to stay current on important transportation topics that affect their company.

Form W-9 (Rev. 10-2018)
Department of the Treasury
Internal Revenue Service

1 Name (as shown on your income tax return). Name is required on this line; do not leave this line blank.
   Melton Truck Lines, Inc.

2 Business name/disregarded entity name, if different from above.

4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3):
   Exempt payee code (if any)

Note: Check the appropriate box in the line above for the tax classification of the single-member owner. Do not check LLC if the LLC is classified as a single-member LLC that is disregarded from the owner unless the owner of the LLC is another LLC that is not disregarded from the owner for U.S. federal tax purposes. Otherwise, a single-member LLC that is disregarded from the owner should check the appropriate box for the tax classification of its owner.

Exemption from FATCA reporting code (if any)

7 List account number(s) here (optional)

Part I Taxpayer Identification Number (TIN)
Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I later. For other entities, it is your employer identification number (EIN). If you do not have a number, see How to get a TIN, later.

Note: If the account is in more than one name, see the instructions for line 1. Also see What Name and Number To Give the Requester for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions for Part II, later.
